CAREER EXPLORATION PROCESS
Where will you start? What’s next?

Self-Assessment and Reflection: Who am I and what do I want?

What are my:
- Interests
- Skills
- Values
- Personality
- Work environment preferences
- Achievements

Decision-making
Job-Search

How do I get there from here?

How the Career Exploration Center can help:
- Individual appointments
- Assessments

How the Career Exploration Center can help:
- Identify skill gaps
- Determine education needs

How your career service office can help:
- Develop self-marketing plan (resume, cover letters, networking, mock interviews)

Career Exploration
What’s out there?

What careers are possible?
What can I do to figure it out?
- Join a student org
- Visit the Career Exploration Center
- Work/volunteer/intern
- Job shadow/Informational interview
- Research the job market

How the Career Exploration Center can help:
- Identify careers of interest
- Create a plan to research careers
- Suggest resources
